IOT Watson Platform

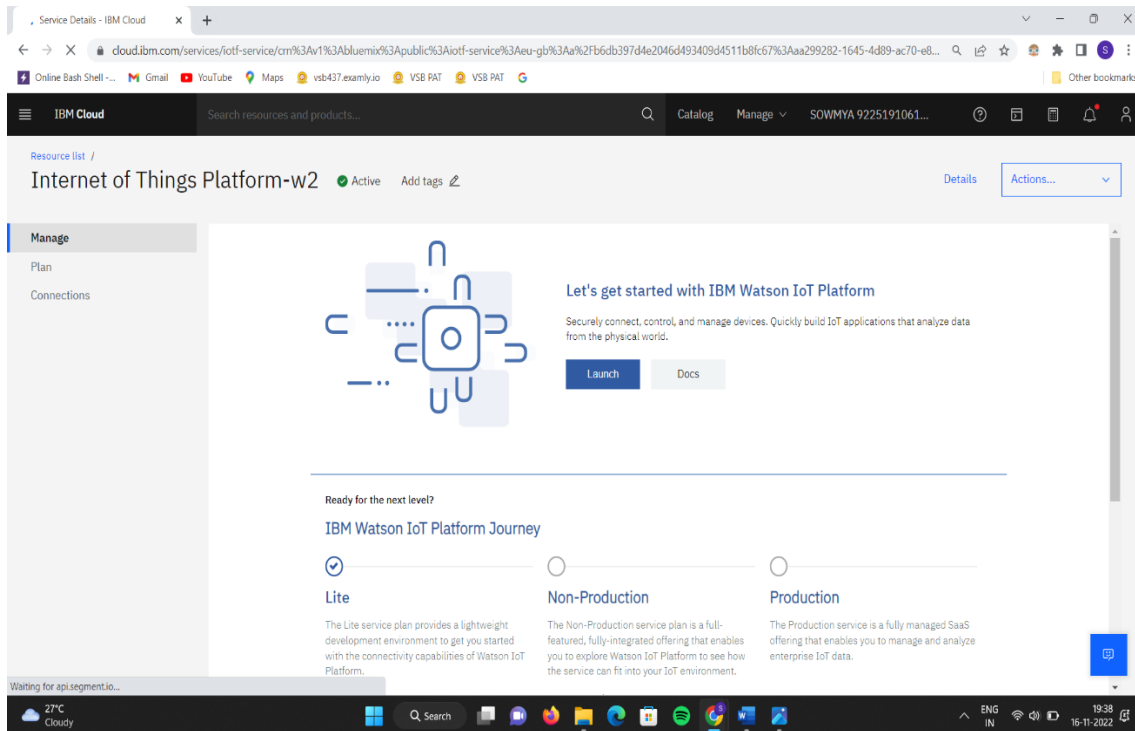

Step1: log in your registered id

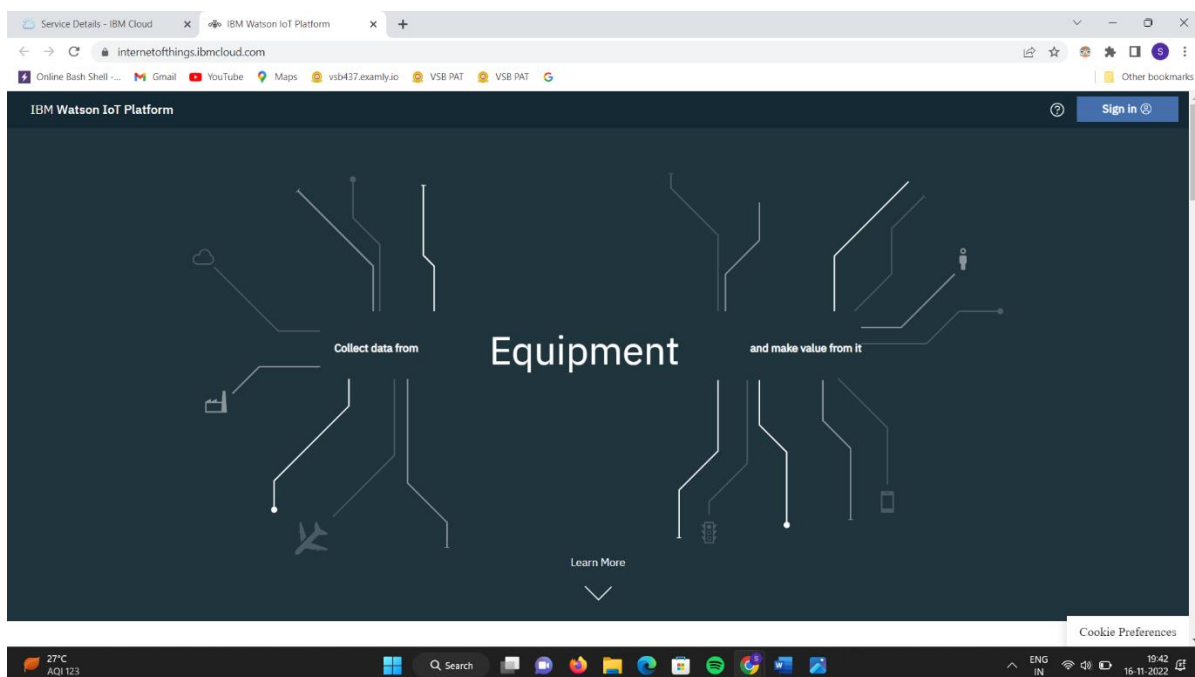

Step 2: click catalog where you find the services and internet of thing you can select and make location as London

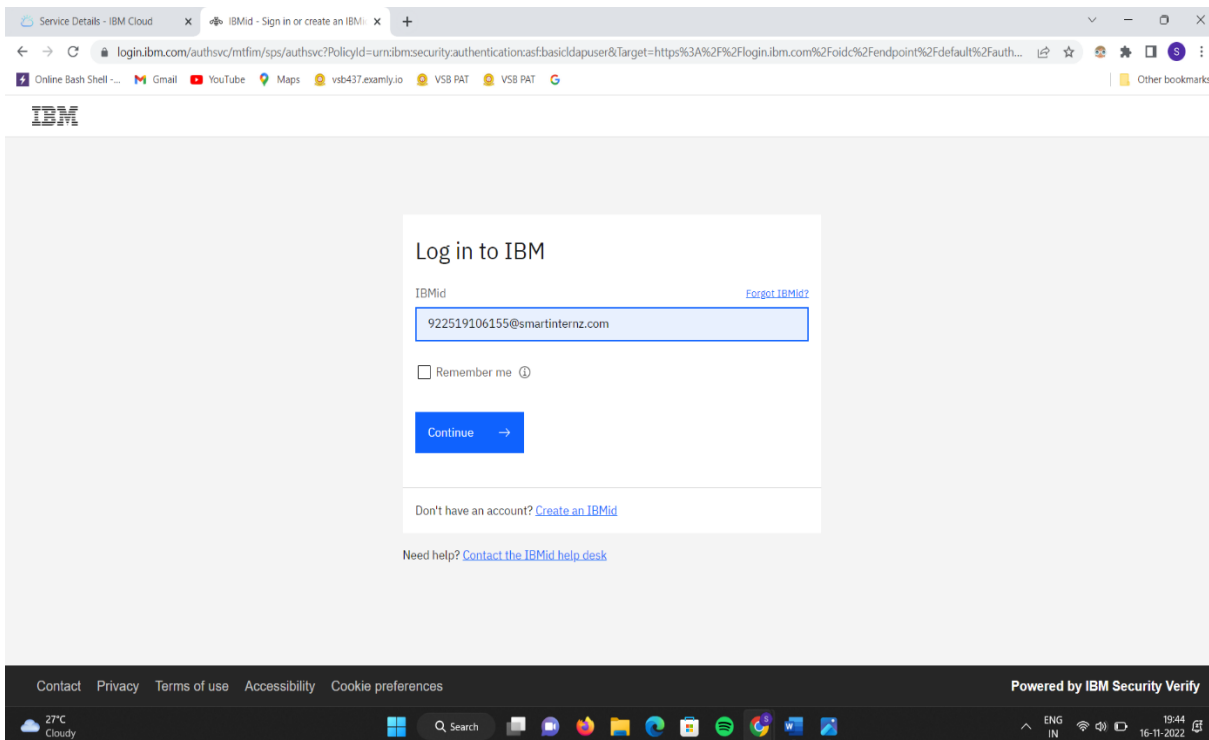

Step 3: click create and the launch tab get open, then click launch

Step 4: It redirect you to IBM WATSON platform where you need to click sign in

Step 5: you need to log in IBM ID

The screenshot shows the IBM login page in a web browser. The browser's address bar displays the URL: `login.ibm.com/authsvc/mtfim/sps/authsvc?PolicyId=urn:ibm:security:authentication:casf:basicdapuser&Target=https%3A%2F%2Flogin.ibm.com%2Foidc%2Fdefault%2Fauth...`. The page features the IBM logo at the top left. The main content area is titled "Log in to IBM" and includes a form for entering the IBM ID. The IBM ID field contains the email address `922519106155@smartinternz.com`. There is a "Remember me" checkbox and a "Continue" button. Below the form, there is a link for "Forgot IBMID?" and a link for "Don't have an account? Create an IBMID". At the bottom of the page, there is a footer with links for "Contact", "Privacy", "Terms of use", "Accessibility", and "Cookie preferences", along with the text "Powered by IBM Security Verify". The Windows taskbar at the bottom shows the system clock as 19:44 on 16-11-2022.

Step 6: where you find this tab which is used to add device , app , member ,usage , security can be worked

The screenshot shows the IBM Watson IoT Platform dashboard. The browser's address bar displays the URL: `ki43dt.internetofthings.ibmcloud.com/dashboard/devices/browse`. The page features a dark blue header with the IBM Watson IoT Platform logo and the user's email address `922519106155@smartinternz.com` and ID `ID: ki43dt`. The main content area is titled "Browse Devices" and includes a "Add Device" button. Below the title, there are tabs for "All Devices" and "Diagnose". A message states: "This table shows a summary of all devices that have been added. It can be filtered, organized, and searched on using different criteria. To get started, you can add devices by using the Add Device button, or by using API." Below this message, there is a search bar labeled "Search by Device ID" and a "Device Simulator" toggle. A table with the following columns is shown: "Device ID", "Status", "Device Type", "Class ID", "Date Added", and "Descriptive Location". The table is currently empty, and a message at the bottom states: "You don't have any devices." with a "Create a device." button. The Windows taskbar at the bottom shows the system clock as 19:45 on 16-11-2022.
